The General Assembly created the State Lottery Agency by Chapter 365 of the Acts of 1972, for the purpose of generating revenue to help support the operation of the State. The establishment of the Agency was contingent upon the adoption of an amendment to Article III, Section 36 of the Constitution of Maryland. The amendment was ratified by referendum on November 7, 1972, and accordingly the Agency commenced operation on January 2, 1973 under the guidance of a Commission and the immediate supervision of a Director.

The Commission consists of five members, all of whom are appointed by the Governor with the advice and consent of the Senate of Maryland, for specified terms. The Commission members annually elect one member as Chairman of the Commission.

The Agency is under the immediate supervision and direction of a Director appointed by the Governor, with the advice and consent of the Senate. The Director is aided by two Deputy Directors who are appointed by the Director with the approval of the Commission.

The Agency conducts a state-wide lottery operation from its Baltimore headquarters. A distribution and collection system is maintained with the cooperation of selected commercial banks in various areas of the State for the purpose of distributing lottery tickets, retrieving unsold tickets and collecting lottery revenues. The actual sales outlets are selected from existing retail establishments that obtain their tickets from, and return unsold tickets and revenue from the sale of the tickets to the designated banks. Weekly drawings are held and prizes are claimed through any of the Claim Centers located in selected existing commercial establishments and public facilities throughout the State. Millionaire drawings are held periodically depending on the accumulation of sufficient prize money.

In July 1976, the Maryland State Lottery Agency began a legal pick-your-own 3 digit
